Choosing NMU

At the heart of our business are competitiveness, service, attention to detail, innovation and flexibility.

Local Service

We have the widest [geographical spread](#) of underwriting and claims expertise of any specialist marine insurer in the UK and Ireland. In particular, we have more decision makers in more regional insurance markets than any of our competitors.

Risk Control

Whilst we pride ourselves on our claims service, an important part of our philosophy is working with policyholders to [prevent losses](#) – protecting their businesses as a whole from the detrimental consequences of large fire, theft or material damage losses.

Lloyd's Security

NMU delivers the benefits of [Lloyd's security](#) direct to regional brokers.
